

Cherry
like ide of ending in staccatto bursts
s sd split in 1/2--wild-funny/serious
rem beercan cups
lights strung on mnountain , theref rd z-ing up
pre masturbatory facism

I wasn't a negroso etc.

nervous herkjerk prose
singing grapefruit
I wasn't on there.
That so?
VERY INTROSPEC STORY +try wildshift tenses;also compact!!!!
pv 1st middle age whist.bit
REAL CHERRY

2d figmo is american ? chinese --trades camels for teas w/
chines officer

both went to ohio state and off's transcrip is fucked up
you're making this up. He wants masters at University of Georgia
Likes southern life.
Likes southern life? pharase reverbs even now, shoppingor
whatever

begin: Nam vets as claiming monopoly--recog unfair.
Sen Cohen implying their frust affected Irancontra etc
politics insists don't destroy enemy for lotssa reasons
pol is the highest good espec at its sleasiest ataturk at poker--feudal
farmer lords
soldiers and dimpomats destroy the wrk of ea other, undemine
why burn on the barricades when diplomats pour eac other whiskies?
WW2 as real war. --imp that 2 genera flank mine and viet
REAL (KOREA) NOT A WORD I'D THINK OF!!!! Linc's indian war. so vague
I don't
want to look up. History as events
considered imp
met him going over w camels. "This # 10 where you get?
"I purloined them from the px."
We sat down and one word lead to another and the deal was
he could go with the cigs and send back volley ball equipment
of which they had a complete shitload.
Good volleyballs:The Russians found something
they could make.
and he did?
of course he did. I told you he was my friend, didn't I?
under 3/4 w binocs "some guy's yelling like hell.
Let me see. Oh good it's Randy. Guy I told you about.
We can get out of here now.
Brushing himself off in front of 3/4. Giving finger.
I'm not so sure. still undr and fig in brilliant dust like talcum
He's a friend of mine.
Yeah he's already got the peaches and cream complexion.
met him going back w camels --he was one of our washboys
but that didn't happen. You can't have Chinese officer as you washboy.
Thre's no way your securty can be that bad.

Maybe. and maybe im the chines officer. you see things up there ast night
liek a milion fuckin horror films and it probably hapned month ago and you
see it now
Good maybe they wont fire on us. SKYLINE DRIVE
Boy do you know nothng. Their dogfaces don't know why the fuck
they're here either. Use up rations

personal hist as ,maybe
then we see plane explode or fly into mt--but no info,ever.
Andit neve happened.
I comment on fog when I got ther
its' alwsay liekthat up thre. thbat's wjhey you never know what's happening.
I went there end war. did 3 or 4 mos --vagueness imp
but first ended up in what was called a spotlight co.
figmo
strange inversions of fog and ground
strange inversions of fog and ground
looks solid but mud--as meta for politics and morality

sick feel at one pt he's jumping up

why spotlight co so close to lines
ans: you cant be back in Scranton but bad algebra, bad trig

hills like xmas trees puff explo but gens kill sound at exact
moment --entire unvierse of slipping belts
is that enemy? Charilie
wh knows
sometimnes we just shot off, get
if we angle up too much it comes down on us. Like throwing a
softball straight up on then waitng until you catch it on the kisser.
rid of rations; and they must do same
great aint that fuckin great i love it
Let me take this one I don't wanna die alone
I'm jeeped to rep by driver --also Figmo--who says atmos is mad beyong belief:
repeats a lot:
Isn't that a fucked-up madhouse
Isn't that a fucked-up madhouse
Isn't that a fucked-up madhouse
Isn't that a fucked-up madhouse
strikes wheel
Here? Hey I come here for some sanity.
he cautious and highly nervous --not anaes
I seen fucked up crazy bastards before but...
;Hey s drive is a danger to some dogfaces but not to yours truly and you
arelucky enough to ride with the magic one!
light ... Skyline Drive sees wave on other side told wave back!
when they do that it's cool
don't let them think we're unfriendly

He recong Charlie (real name) OH St student
pigs lecture and that coffee cup
tent is garbage etc tho Maj is orderly--since then I admired ordrlly
peopl not as someone--way they might see themselves --
who cd get things done since they failed as
much as anybody but as one who stuck to simple principle and emobodied
an ideal however quixotic wrong or what

just after ice shower!--

Hey private!

You real cherry? black shirt caved in in back and like
second, m dead skin

voice like phonograph

girl wall-eyed past terror walking death shoulders hunched in
new outfit at least on solid ground when I jump from jeep
beachy jog / on hill

icy shower by rank/hopped ahead one step since
BIRTHDAY BOY/guy he replaces sulks by degree away in pretend
--from shiver to
pleasure to numb--mist lift
and stand naked before them but no shame--complex but arrogance--
brings warming --the SUN!(1st through fog--flaunt health!
FOR THE MOMENT!!!
no sense of future
look at me not middle age
fun to fat like now--
conquer! What it's all about
also, what I had was myself and that's all I had
felt veins burst with vitality etc great and selfjustified and right
and
idealization of one's own youth! no other connections!
lend her to suicide
not exhibitionistic thus not so easy to understand but
more greek godlike
also can show courage here rather easily
bottom line though is positive
dirty floors cans and wappers and semi apologies
YOUNG MAJOR AS AT LEAST HAVING A STANDARD + leading
and CONTROL

ethnocent!!!!!!!

POSS AS MIXED MEDIA --SOME PART SCANNABLE MORE OR LESS

IMAGES: black wedge

all at spotlight co

you can achieve parts but never that same combo of arrogance etc

chaos --us in tent, spotlight

order major; momentary selfintegration

when you learn something you have nothing to flaunt
your triumph is that you've made your way up some slippery slopes

and frankel said the best of us did not come back, (to sit
around poker tables. Also best part of us dead a la
20yr old naked insun etc

the best of us die for the system as the system dies Figo:
we had guy said thast over and over and they took him away. He was crazy and
before that we thought he was the sanes one there.
can you be pure in a system?

Yes.

No.

incorp poem of grpefruit face --last image in s ?

I am 20 and the other guys are twenty and they're dead. reps

in tent sgt indicate mourning period is over by
strighen out these bunks and get rid of the trash
--should take you about eten minutes and
then report to me.

neg w samename --wht if they stuck the neg on there by mistake?--
since off led me to believe i'd be firing machine gun --
also neg of same color as I

what was i proud of. Of being young.

IT'S A PUNY THING BUT LOOMS LARGER IN ALL THE MADNESS
and ambig

Imp that I don't wasnt ambig.

HOW CAN YOU BE PROUD AND ARROGANT AND COME FM SUCH CHAOS?

eway fo proving you're better!

to be litle you must deny what men are like

and thus not be aman

sun! A God! A man.

i, my body, brought order to chaos

a hingepin wrought of my own delicious flesh, the whole worwld

bleeding around me in brilllliant sunlight.

What could top this purity?

Unfortunately my own hingepin starting growing hard. O youth!

O Hitler Youth!
